Loop Station Battle

The Loop Station Battle is a Top 4 tournament.

The Top 4 Wildcard Winners are lined up for predetermined matchups based on their wildcard rank. 1vs4, & 2v3 for the semifinals.

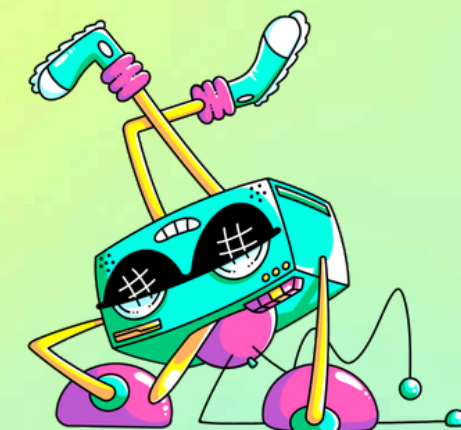

7ToSmoke

This is your chance to battle!

Tryouts: Start of Day 1 & Day 2
Battle: 4pm on Day 2

The Top 8 Open Elimination Winners will compete in a king-of-the-hill style beatbox battle, where the winner stays on. Each battle is only one round, so the competition is a rapid succession of crazy moments. The first competitor to reach 7 total victories will be crowned the 7 To Smoke Champion.
